Subject: Reasonable Reimbursement Action Center

AFSCME Member:

Things are heating up in our fight to win Reasonable Reimbursement. This week, the Iowa House of Representatives held a public hearing on the bill (HF2420), and AFSCME was there in force. We outnumbered our opponents in both the numbers that attended in the gallery to the number of speakers that told the Iowa House why we need Reasonable Reimbursement. Thank you if you were able to attend.

If you weren't able to attend, please take a minute and go to our [Reasonable Reimbursement Action Center](#) and fill out the email form to send a message to your legislator. It only take a minute and will help us continue to send our message to legislators - we need Reasonable Reimbursement to compensate us for the non-member services we provide.

Thanks for your activism. Let's keep up the great work you've all been doing so far.

In Solidarity,

Danny Homan President, AFSCME Iowa Council 61
