Subject: Stop the Iowa House Republicans from Attacking Your Health Insurance Coverage

Dear Charlie Wishman,

Stop the Iowa House Republicans from Attacking Your Health Insurance Coverage!

Iowa House Republican Leadership have drafted and signed on to a bill that would make you pay more for your health insurance. State Employees have already given at the office - at the bargaining table, and by giving up five unpaid days.

[HF 2118](#) sets up a minimum payment for health care coverage for all state employees - no matter what you make or what the plan you or your family have. This is just one of the latest attacks from House Republican Leadership that targets public employees. You know that at the bargaining table we sacrifice wages for better health care coverage, but Representative Kraig Paulsen, House Republican Leader doesn't understand.

Contact Iowa House Republican Minority Leader Kraig Paulsen, and tell him to take the bullseye off of public employees and you're tired of being a target this session. You can send Representative Paulsen an email at kraig.paulsen@legis.state.ia.us.
